

# LARRY GATLIN & THE GATLIN BROTHERS

For the past four decades, Larry Gatlin and The Gatlin Brothers have traveled from Texas around the world, performing their brand of music to millions of fans through live concerts and television. Their journey has taken them to the great concert halls of America, sharing the harmony and great songs for which they are so famous. This group has a sound all it's own. They have also sung at the White House for five Presidents. This path represents the brothers' childhood dreams of making music together.

Larry, an accomplished songwriter, paved the way for the group, moving to Nashville in 1971 and began writing some of country music's greatest songs for Elvis Presley, Dottie West, Johnny Cash and Anne Murray, just to name a few. Barbra Streisand, Tom Jones and Johnny Mathis have also recorded his songs making him respected in both the country and pop fields. After starring in the Broadway show and tour, "Will Rogers Follies," Larry has written two musicals and is currently developing them for Broadway. He most recently starred in "Civil War." Rarely do you find a talent that sings and writes with such compassion and depth. Whether he is standing alone with just his guitar or alongside his brothers and band, he is in total control of an enjoyable evening of music. He is married to Janis and has two children, Kristen and Josh. He most recently became a "grandpa" and will be happy to show you pictures on a moments notice.

Steve has been busy starring in several of his self-produced productions in Myrtle Beach, SC and has received rave reviews. These productions have allowed him to "step out" and showcase his own style of music and comedy. However, his first love has always been singing with his brothers. He most recently starred in a TV pilot in Charleston, SC and anticipates a new series this coming spring. Steve is married to Cynthia and has three daughters, Ashley, Allison and Aubrie.

Back in Texas, Rudy is busy on the speaker's circuit as well as lending his name to and playing on the Celebrity Golf Tour. In the past he has starred in the hit musical, "Oklahoma" and has taken the lead in organizing many of the brothers' charity events. He has a great love for children, as do all the brothers, but nowhere has that been better displayed than his tireless efforts in 20 years of service to the Gatlin Brothers MDA Golf Tournament in Dallas, Texas. Rudy is married to Kim and has two children, Austin and Lauren.

The Gatlin Brothers have recorded over 25 albums including country, gospel and big band. They have appeared on over 75 national TV shows, toured internationally and endorsed products such as American Express, Kentucky Fried Chicken, Dr. Pepper, Member's Only and Amoco. Most recently they sang at the White House for our new President and their long time friend, George W. Bush. Over the years the brothers have been active in drug and alcohol awareness programs, especially those involving children. As mentioned above, they are blessed with great wives and wonderful children and family is very important to them all.

Their awards and accomplishments are many, but their legacy will be their God given talent to entertain fans around the world, inspiring them to reach for their own dreams just as the brothers did 46 years ago in Abilene, Texas.
